

SUMMER 2022

Spend your holidays on the beach in total relax!

A familial atmosphere, a glance at our multi-awarded sea, a surrounding made by the most amazing medieval villages of Italy: this and so much more is Hotel Parigi. Make yourself at home while enjoying your time between the sea and the hills! With our bikes you can discover Bordighera, its English villas and exotic gardens, you can take a picture at postcard-like sunsets from the Riviera's longest Promenade or from the Cycling Path, or you can visit the magical up country. Explore Cote d'Azur nearby and enjoy a day of shopping in the glamorous Montecarlo.

There is the proposal that was prepared especially for you:
